

**TOWN OF TOPSFIELD
PUBLIC MEETING NOTICE**

Notice is hereby given that the Topsfield Board of Selectmen and the Topsfield Planning Board will hold a public information meeting on Monday, July 17, 2006 at 7:30PM, at the Proctor School Cafeteria concerning the proposed purchase by Sunrise Development, Inc. of the property located at 2 Boston Street known also as the "Page Estate".

Sunrise is interested in developing and operating a senior development consisting of independent living, assisted living and Alzheimer's care units on the property. This proposal would require a zoning change to permit such use.

Sunrise officials will be present and plan to make a presentation to the Town at this time. The Board of Selectmen seeks community input relative to this proposal and will entertain comments and questions following the presentation.
